FREDERICKSBURG AREA ACTIVITIES

4 scenic drives that will “take your breath away”:

Below are four of my very favorite Scenic Drives around Fredericksburg, Texas!

1. Take 965 (Milam Street) out of Fredericksburg, just past Enchanted Rock. 965 connects with 16. Take a left to Llano. Just before 71 turn left on 2323 and follow it back to 87. Take a left back to Fredericksburg.
2. Take 87 from Fredericksburg to Mason swing around the courthouse square and return to Fredericksburg! This is a beautiful drive... some of the BEST wildflowers anywhere!
3. Take 87 from Fredericksburg toward Mason, turn right on 152. In Castell veer right and follow 152 along the river back to !6. Turn right back to Fredericksburg.
4. Take 87 to 648 (Hilltop Cafe is on the corner), turn left and continue into Doss, Texas. In Doss take a right on to 783 and continue to 87 take a right back to Fredericksburg.

Museums & History:

[Fredericksburg's Pioneer Museum](#) and [Vereins Kirche Museum](#) tell the stories of those first German immigrants who suffered hardships and overcame much to establish this special community, and the [Gillespie County Country Schools](#) showcase rural life unique to the Texas Hill Country.

Native son Chester W. Nimitz catapulted Fredericksburg onto the national map when he commanded the United States Pacific Fleet in World War II. The [National Museum of the Pacific War](#) was established here because of his contributions.

And finally, the United States' 36th President Lyndon Baines Johnson was born in Gillespie County and returned often during his presidency. He is now buried on the ranch he loved so dearly just 20 minutes from Fredericksburg in Stonewall, Texas. The [Lyndon B. Johnson State](#) and [National Historical Parks](#) tell the story of LBJ's larger than life personality and legacy.
