

RRR, this is to let you know of a change in location for our May Rally. Mitchel RV Resort in Perrin Texas had been selected as the 2021 location, however, the park sold and is now under new management. It was learned that the park is not honoring the contract as they have increased their parking fees. The new fee is about \$60.00 each night for camping.

The Third Vice President has sold his coach; therefore, the 2020 Executive Board has met via a zoom meeting held on December 3 and voted to move the rally to the Rusk KOA in Rusk, Texas. As the location may be just outside the 150-mile radius of Denton, Texas, the board also approved a motion to temporarily suspend Standing Rule 16.

I wish each of you a happy Holiday Season and wherever you may be, be safe.

June Guess, President
