

# SEPTEMBER RALLY

September 14—17, 2017

Mineola, Texas

Most often members who arrive early have opportunities to visit the area and sometimes, take in some of the activities that might be scheduled during the dates of our rally. Such was the case for LuAnn, Erika and Pat who found an Elvis Impersonater performing at a park in town.

As it was the first time to camp at the Mineola Civic Center for most members; those attending found an interesting set-up of RV sites “in the round.” Having no kitchen to prepare meals, the hosts team did a great job with the limited resources. available.
