NOVEMBER RALLY

Finally we are going to have the opportunity to have a 3rd rally during the 2020 year. The host will do all that is possible to plan a safe environment for the last regular rally of the year.

It seems like a "eon" ago that we got together as a chapter to enjoy some of the activities and food that we have the opportunity to participate in at our monthly rallies. For many it has been since March that you attended a rally, a few met in June and enjoyed the new "covid" version, but for a few it has been since 2019 that you have attended a rally. Since June was successful, with precautions, the chapter is going to again return to Durant and Choctaw Casino KOA for it's November rally. The host are working on some special plans for food. Of course, the mask and distancing requirements of the state, city and casino will be enforced.

Because of the host planning, it is very important that you register early so they will know how much food to prepare. Many have indicated they are excited that the rally is being held and are making plans to attend.

If you have not been exposed to the virous, consider attending the November rally in Durant, Oklahoma..

2021 RALLY SCHEDULE

Below are the rally sites selected for the 2021 year. Many are places the chapter has attended before, one is a new location that sounds very exciting, and...the out of area rally will take us back to Texas Hill Country.

PRESIDENT'S MESSAGE

RRR,

What a year! 2020 is a year that has been unbelievable.

I know we all tried to raise caring children. I did not realize at that time it could be a problem. I feel like a teenager now. My children have more or less put me under house arrest. Thankfully no ankle monitor. I am lucky to have two caring daughters.

We are closing out our 2020 rally season at one of our favorite places. They have taken extra precautions to keep us safe. Come join us for fellowship, fun and food.

In 2021 we will be celebrating our 20th year as a club. Rally sights have been selected. Plan now for next years adventures. Our hopes are that things will be back to normal so that we can see each others smiles.

Stay safe.

June
